

Double-Box Shipping Instructions

NOTE: Please follow these instructions and be sure to double-box your watch as shown.^{*} Simply ship your double-box package at any FedEx office location, or call us at (800) 494-3708 to schedule a FedEx pick up.

1 If you have the original Watch Box:

Place your watch in its original watch box.

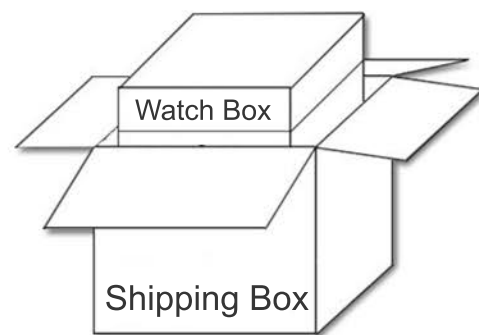

If you do not have the original Watch Box:

Completely wrap your watch in bubble wrap. Then put the wrapped watch into a small box.

2 Place your watch box (or small box) into a shipping box.

3 Attach the shipping label onto the shipping box. Then you may ship your double-box package at any FedEx office location, or call us at (800) 494-3708 to schedule a FedEx pick up.

^{*}For insurance coverage purposes, it is required that you double-box your watch.
